PROJECT DETAILS

Applicant Information

Home Address:

Seoul 135-854

Cell Phone:

Citizenship: KOR4

Department: Electrical Engineering

Residential College: Residential College

If the information above is not correct, please [contact the Registrar](#).

Activity: Undergraduate Independent Projects

Title of Project

Intended Concentration: BSE - Electrical Engineering

Start Date

End Date

anticipated
mm/dd/yyyy
anticipated
mm/dd/yyyy

Students may not schedule travel that conflicts with their end-of-semester exam schedule or academic obligations.

RECOMMENDERS

Please check the guidelines of the funding office to which you are applying to see if recommendations are required. Recommenders should be selected from people who know your academic qualifications well. You should be sure to ask your recommender(s) if they are willing to write a letter before entering their name(s) here. Your recommender will be contacted via an email from SAFE as soon as you submit your application. The email gives them a link to an online form, where they will fill out the questions that you see on the sample application.

FUNDING REQUEST(S)

To find and request additional funding for this project

All deadlines are 11:59pm local Princeton time unless otherwise noted

[remove](#)**Opportunity**Office of the Dean of the College Undergraduate Fund for Academic Conferences
ODOC - Office of the Dean of the College[web site](#)

Contact: Margo Orlando

Email: our@princeton.edu**Application Period**Open: 09/10/2014
Closed: 11/30/2015**Decision Period**Starts: 09/10/2014
Ends: 05/29/2015**Funding Limits:**\$500.00 to \$750.00
Term
ALL**Additional Application Instructions**

You are required to provide the name of the faculty adviser who will serve as recommender for your application in the "Recommenders" section of this application. Before submitting their name, please confirm that they are agreeable to completing the online form in support of your application and can speak to your academic qualifications as well as how your participation in the conference pertains to your research and/or independent work. No project will be funded without a strong faculty endorsement. If you have an electronic copy of your accepted abstract, please upload it with your application.

[Click here for additional instructions](#)**Special Restrictions**

This funding opportunity is available to all currently enrolled undergraduates. Students are eligible to one award per academic year. While applications are reviewed on a rolling basis, they must be completed at least one month before the beginning of the conference in order to receive full consideration. Applications for retroactive funding will not be considered. In order to receive funding, recipients must register their travel in Concur within one month of receiving notification of your award but no later than one week prior to departure.

ANTICIPATED EXPENSES

Please provide a working budget for all of your anticipated expenses. We expect these costs to be moderate; you are responsible for researching competitive pricing in order to maintain reasonable costs. The budget you are providing should be detailed and specific.

Please provide a working budget for all of your anticipated expenses. We expect these costs to be moderate; you are responsible for researching competitive pricing in order to maintain reasonable costs. The budget you are providing should be detailed and specific.

If the funding office(s) to which you are applying has specific expense/budget guidelines, they will be listed below.

➤ [Funding Guidelines for Office of the Dean of the College Undergraduate Fund for Academic Conferences](#)

Please Note: **Total Requested** may differ from **Total Cost** if you expect to use funding from a non-Princeton source.

Expense Type	Description	Cost Per Unit	Units	Total Cost	Total Requested
<input checked="" type="checkbox"/>	Domestic travel to the research site			\$0.00	
<input checked="" type="checkbox"/>	Local Transportation at the research site			\$0.00	
<input checked="" type="checkbox"/>	Lodging off campus			\$0.00	
<input checked="" type="checkbox"/>	Meals			\$0.00	
<input checked="" type="checkbox"/>	Other please describe			\$0.00

UNDERGRADUATE INDEPENDENT PROJECTS QUESTIONS

Overnight Travel

Does your project involve overnight travel outside of the metropolitan New York City and Philadelphia corridor?

Yes

No

If so, please list the cities you intend to travel to in order to conduct your project.

Institutional Review Board Approval (IRB)

Does your project work involve human subject intervention or interaction; or the collection of human data or biological specimens? IRB protocol approval may be required; please contact the IRB office immediately for a determination of human subject research status. The approval process may take up to two months.

Yes

No

Not sure about IRB approval? Please read the [IRB requirements](#) and contact them if necessary in order to make this determination BEFORE SUBMITTING YOUR COMPLETED APPLICATION.

Institutional Animal Care and Use Committee Approval (IACUC)

Does your project work involve animal subjects? IACUC protocol approval may be required; please contact the IACUC office immediately for a determination of animal research status. If required, protocol approval process may take up to two months.

Yes

No

Not sure about IACUC approval? Please read the [IACUC requirements](#) and contact them if necessary in order to make this determination BEFORE SUBMITTING YOUR COMPLETED APPLICATION

Environmental Health and Safety (EHS)

Do you plan to transport chemicals, environmental samples or biological materials, including animal or human specimens, to or from your project site? If yes, please contact EHS at 258-5294 for assistance.

Yes

No

Will your project work involve use of hazardous chemicals, radioactive materials, microorganisms or viruses that can cause human infections, human or non-human primate body fluids or animals/animal tissues known to be reservoirs of zoonotic disease? If yes, please contact EHS at 258-5294 for assistance.

Yes

No

Will you be working in extreme environments (high altitudes, mines/caves, underwater, etc.), extreme weather areas, under high physical stress, or working with heavy machinery? If yes, please contact EHS at 258-5294 for assistance.

Yes

No

Project Statement

Beginning with a brief summary (no more than 250 words) of your project, this statement should describe your proposed project, the research methods employed (if applicable), and the work accomplished to date. It should include an explanation of why travel, if appropriate, is essential to your project; a precise description of how the funds will be used; a list of documents, archives or libraries to be used; and a brief bibliography.

Project Statement

Planned Itinerary

Please detail your itinerary as appropriate, including all arrangements that have been made in preparation of your project. If traveling, information should include where you are going, what you plan to do, and whom you will see at the site. If conducting research, indicate whether you have contacted the appropriate person at the research location for the necessary documents or archives. If utilizing human subjects or conducting experiments, outline your specific plans.

Planned Itinerary

Qualifications

When providing your qualifications, include languages, quantitative skills, course work or other training or skills which have prepared you for this project.
