Please indicate the start and end date of the study abroad program in which you are enrolling. If you are enrolling in a non-Princeton program, you will provide additional information about the program later in the application.

## RECOMMENDERS

Please check the guidelines of the funding office to which you are applying to see if recommendations are required (and, if so, how many). Recommenders should be selected from people who know your academic qualifications well (preferably a professor or instructor). You should be sure to ask your recommender(s) if they are willing to write a letter before entering their name(s) here. Your recommender will automatically be contacted via an email from SAFE when your application locks (i.e. on the first application deadline). The email gives your recommender(s) a link to an online form within SAFE.

**Additional Application Instructions**

One letter of recommendation is required. Additionally, you must upload (1) a PDF of your TigerHub academic record and, (2) if you are attending a non-Princeton program, a PDF of information about the study abroad program to which you are applying, including course descriptions and the published, itemized cost of the program. N.B. You must submit official program materials (print or electronic) that break out the cost of tuition from the overall program fee. We cannot award funding without this documentation. If the cost of tuition is not itemized, please follow-up with the program to find out what the cost is.

[Click here for additional instructions](#)**Special Restrictions**

AFTER 3/15, ONLY STUDENTS WITH PRE-APPROVAL FROM OIP MAY SUBMIT A LATE APPLICATION FOR THIS FUNDING OPPORTUNITY. LATE APPLICATIONS WILL BE CONSIDERED AFTER ON TIME APPLICATIONS HAVE BEEN AWARDED. Students who are seeking funding for Princeton in Beijing and Princeton in Ishikawa should not apply to the Dean's Fund for Summer Study Abroad. The Dean's Fund/OIP provides funds directly to the East Asian Studies Program to support PIB and PII program participants. PIB and PII Awards are made as part of the program acceptance process.

#### Post Project Instructions

If you enrolled in a non-Princeton program, as a condition of the summer funding you received from the Dean's Fund, you must submit (1) a short report (one page) describing your summer experiences abroad and (2) a copy of your transcript or certificate of attendance from your summer program. These documents should be uploaded to SAFE before the start of the school year. (You do not need to upload receipts or submit a final budget.)

## ANTICIPATED EXPENSES

Please provide a working budget for all of your anticipated expenses. We expect these costs to be moderate; you are responsible for researching competitive pricing in order to maintain reasonable costs. The budget you are providing should be detailed and specific.

Note: You may add as many lines as needed and delete any lines that are not relevant to your program budget.

If the funding office(s) to which you are applying has specific expense/budget guidelines, they will be listed below.

➤ [Funding Guidelines for Dean's Fund for Summer Study Abroad](#).

Please Note: **Total Requested** may differ from **Total Cost** if you expect to use funding from a non-Princeton source.
